LINCOLN CO-PILOT360™ 2.0
- Adaptive Cruise Control[5]
  - Lane Centering
  - Predictive Speed Assist
  - Stop & Go

[1] Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
[2] Always wear your safety belt and secure children in the rear seat.
[3] System must be turned off before entering an automatic car wash.
[4] SOS hardware may become damaged, or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner
[5] Driver-assist features are supplemental and do not replace the driver’s attention, judgment, and need to control the vehicle. It does not replace safe driving. If stop is longer than three seconds, the driver must intervene, and press “RES” button or accelerator pedal to resume system operation. For optimal/best performance, Ford recommends keeping map data updated by fully activating the vehicle’s LincolnWay App® Connect modem and enabling Connected Navigation Services. See Owner’s Manual for details and limitations.

[6] Evasive steering does not control steering

[7] Lane-Keeping System does not control steering. Driver-assist features are supplemental and do not replace the driver's attention, judgment, and need to control the vehicle. It does not replace safe driving. See Owner's Manual for details and limitations

[8] Driver-assist features are supplemental and do not replace the driver's attention, judgment, and need to control the vehicle. Intersection Assist does not detect all vehicles in intersections, pedestrians, or cyclists. It does not replace safe driving. See Owner's Manual for details and limitations

Driver-assist features are supplemental and do not replace the driver's attention, judgment, and need to control the vehicle. [Pre-Collision Assist® with Automatic Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision.] It does not replace safe driving. See Owner's Manual for details and limitations.

[9] Driver-assist features are supplemental and do not replace the driver's attention, judgment, and need to control the vehicle. [Pre-Collision Assist® with Automatic Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision.] It does not replace safe driving. See Owner's Manual for details and limitations

[10] Eligible vehicles receive either 3 or 4 years of complimentary access to Alexa Built-in. Lincoln Premium Connectivity offered on eligible vehicles as a 1-year or 4-year complimentary trial. Trials begin upon New Vehicle Warranty start date. Access to Alexa Built-in requires an Amazon account, Lincoln Digital Experience, Lincoln Connect® activated through the Lincoln Way® App (see Lincoln Connect® Terms for details). Some Google Assistant, Google Maps, Google Play, and Alexa Built-in features require Lincoln Premium Connectivity connected service plan or Wi-Fi network. Connected service and features depend on compatible network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Lincoln Way® App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

**Certain Alexa functionality is dependent on smart home technology

Connected Service and features depend on compatible network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

Google, Google Maps and Google Play are trademarks of Google LLC.

Google Assistant and some related features are not available in all languages or countries.

Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc. or its affiliates.

Lincoln Way App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

[11] Lincoln Connect, the Lincoln Way App and complimentary connected services are required for remote features (see Lincoln Way terms for details). Connected services and features depend on compatible network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected services excludes Wi-Fi® Hot Spot.

[12] Lincoln Way® App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply

[13] Eligible vehicles receive either 3 or 4 years of complimentary access to Alexa Built-in. Lincoln Premium Connectivity offered on eligible vehicles as a 1-year or 4-year complimentary trial. Trials begin upon New Vehicle Warranty start date. Access to Alexa Built-in requires an Amazon account, Lincoln Digital Experience, Lincoln Connect® activated through the Lincoln Way® App (see Lincoln Connect® Terms for details). STANDARD EQUIPMENT

- SYNC® 4
  - — Conversational Voice Command Recognition
  - — 13.2" Center Display
  - — Information on Demand Panel
  - — SYNC® 4 AppLink®
  - — Wireless Apple CarPlay® and Android Auto™ Compatibility[14]
  - — Digital Owners Manual
  - — 911 Assist®[15]

    Note: *SYNC® AppLink® – Lets you control some of your favorite compatible mobile apps with your voice. It is compatible with select smartphone platforms. Commands may vary by phone and AppLink® software.*
- Connected Navigation[16] – 4 year Included duration

[14] Compatible Android or iPhone with compatible active data plan and software required. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. SYNC® 4 does not control third-party products while in use. Third parties are solely responsible for their respective functionality

[15] The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist® to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to your SYNC® system, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility.

[16] Services require SYNC® 4 or newer, activation through Lincoln Way® App (subject to Lincoln Way Terms), modem activation, and a Connected Navigation Service Plan. Equipped vehicles come with either a 90-day or up to 3-year Connected Navigation trial from new vehicle warranty start date, after which purchase is required. Connected Services and features depend on compatible network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features
