2027 SUPER DUTY® PICKUP (F-250 / F-350 / F-450)

MAJOR PRODUCT CHANGES

OVERVIEW

The 2027 Super Duty® builds on a simplified offering strategy while extending its long-established reputation for power, durability, and advanced technology. Ford Co-Pilot360® Technology and 360-Degree Cameras are available together across Trims. The 7.3L gas engine is now standard on all trims and the 6.7L High Output Power Stroke® diesel remains an optional engine on all trims. Tremor Off-Road Package is now available on all trims and on the 176" Wheelbase/8ft bed on XLT, Lariat, King Ranch® and Platinum. LED lamps are available to all Trims; included in STX and XLT Premium packages and standard Lariat/King Ranch/Platinum. 4x4 is standard beginning on King Ranch®.

Please see Standard Equipment pages for more details.

[1] Ford Security Package included for one-year from new warranty start date. Modem activation is required; customer may cancel at any time.

[2] Modem activation is required to enable Ford app remote features and most Connected Services. Ford TelematicsTM and Data Services Prep included for Fleet ONLY: 5G Wi-Fi Modem provides data to support telematics and data services including but not limited to vehicle location, speed, idle time, fuel, vehicle diagnostics and maintenance alerts. Device enables telematics services through Ford or authorized providers. Activate at www.fleet.ford.com or call 833-FCS-Ford (833-327-3673)

[3] Ford Connectivity Package included for one-year from warranty start date. Requires activation via Ford app with credit card authorization; customer may cancel at any time. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Ford may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Ford may remove or limit the customer's data plan.

[1] Modem activation is required to enable Ford app remote features and most Connected Services. Ford Telematics™ and Data Services Prep included for Fleet ONLY: 5G Wi-Fi Modem provides data to support telematics and data services including but not limited to vehicle location, speed, idle time, fuel, vehicle diagnostics and maintenance alerts. Device enables telematics services through Ford or authorized providers. Activate at www.fleet.ford.com or call 833-FCS-Ford (833-327-3673)

[2] Ford Connectivity Package included for one-year from warranty start date. Requires activation via Ford app with credit card authorization; customer may cancel at any time. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Ford may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Ford may remove or limit the customer’s data plan.

Trailer Towing Equipment													

[1] Select option for a one-time purchase of Ford Connectivity Package. Ford Connectivity Package will be active for 7 years on this vehicle (non-transferrable to another VIN) from warranty start date. Requires activation via Ford app. Not available for fleet orders. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Ford may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Ford may remove or limit the customer's data plan.

[1] Select option for a one-time purchase of Ford Connectivity Package. Ford Connectivity Package will be active for 7 years on this vehicle (non-transferrable to another VIN) from warranty start date. Requires activation via Ford app. Not available for fleet orders. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Ford may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Ford may remove or limit the customer's data plan.

1 = Regular Cab only, 2 = SuperCab only, 3 = Crew Cab only

CNG/Propane GASEOUS ENGINE PREP PACKAGE

***Availability*:**
- Standard with 7.3L Gas Engine (99N)

Includes:
- Hardened Engine Intake Valves and Valve Seats
- Bi-Fuel manifold

NOTE: This package does not include CNG/Propane fuel tanks, lines, etc. Vehicle will be equipped w/the standard factory gasoline fuel system. Additional equipment combined w/Certified calibration reflash is required, from an external upfitter, to convert the vehicle to a CNG/Propane fueled vehicle. See Alternative Fuel Buyers Guide: www.ford.com/altfuelbuyersguide

Ford Motor Company does not provide an exhaust or evaporative emissions certificate w/this option when converted to use CNG or Propane fuel. Ford does not represent that a vehicle converted to use CNG or Propane will comply w/all applicable U.S. or Canadian safety standards. It is the responsibility of the final stage manufacturer (body-builder, installer, alterer or subsequent stage manufacturer) to determine that any vehicle converted to use CNG or Propane complies w/U.S. Federal, California or Canadian exhaust and evaporative emission requirements, Federal fuel economy standards, U.S. and Canadian safety standards, labeling and any other requirements

5TH WHEEL/GOOSENECK HITCH PREP PACKAGE (53W)

***Availability*:**
- Optional on XL, XLT, Lariat, King Ranch® and Platinum
- Standard on F-450

Not available with:
- Bed Mat (85M)
- Drop-in Bedliner (85L)
- Pickup Box Delete (66D)

Includes:
- Five (5) pickup bed attachment points w/plugs
- One (1) frame under-bed cross member
- One (1) integrated 7-pin connector on driver's side pickup bed wall

5th Wheel Hitch Compatibility:
- The 5th Wheel/Gooseneck Prep Package (53W) is compatible w/the factory orderable 5th Wheel Hitch Kits (15K and 15L) and Dealer-installed Ford Accessories 5th Wheel Hitch kit by Reese – part #BC3Z-19D520-A (8 ft. box only). The prep package is also compatible w/Reese Signature Series 5th wheel hitch kits updated w/a new Leg Service Kit – Part# BC3Z-A00A25-A (8 ft. box only)
- The 5th Wheel Hitch Kit-15K, 5th Wheel Hitch Kit-15L and Dealer-installed Ford Accessories 5th Wheel Hitch kit by Reese – part # BC3Z-19D520-A is not released to the short box (6.75 ft. box)

NOTE: The short pickup box provides less clearance between the cab and 5th wheel trailer compared to "long box" pickups. The receiver centerline of the hitch should be mounted at least two inches forward from the rear-axle of the truck chassis. When selecting a trailer and tow vehicle, it's critical that this combination provide clearance between the cab and tow vehicle for turns up to and including 90 degrees. Failure to follow this recommendation could result in the trailer contacting the cab of the tow vehicle during tight turns.

Gooseneck Hitch Compatibility:
- The 5th Wheel/Gooseneck Prep Package (53W) is compatible only w/the factory orderable Gooseneck Hitch Kit-15J, Gooseneck Dual Hitch Kit-15E or Dealer-installed Ford Customer Accessories Gooseneck hitch by Reese – part # BC3Z-19F503-A (8 ft. box and 6.75 ft. box)

Vehicle Special Order (VSO)

FLEET ONLY. See www.fmcdealer.com for current VSO Order Guide. This live guide includes VSO option codes, descriptions and pricing. Email vsomail@ford.com or call 1.800.34.FLEET, menu 4 w/any VSO questions you may have.

High Sulfur Diesel Fuel Usage

Vehicles for intended usage w/diesel fuel sulfur content greater than 15ppm require Euro II (>500ppm sulfur) or Euro III (<500ppm sulfur) packages to avoid engine functionality issues.

Packages are available through Export Order Guide w/the appropriate US EPA exemption or verifiable export usage.

NOTE: Post build modification kits are not available. Vehicles must be ordered correctly for the market that they are to be sold and operated in.

NOTE: JP8 fuel is supported and compatible w/these packages

Leaded Fuel Capable

Package is available through Export Order Guide w/the appropriate US EPA exemption or verifiable market usage.

NOTE: Post build modification kits are not available. Vehicles must be ordered correctly for the market that they are to be sold and operated in.

European Certified Headlamps

European certified headlamp package is available for export usage through Export Order Guide.

NOTE: Post build modification kits are not available. Vehicles must be ordered correctly for the market that they are to be sold and operated in.
