³ Ford Connectivity Package included for one-year from warranty start date. Requires activation via Ford app with credit card authorization; customer may cancel at any time. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Ford may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Ford may remove or limit the customer's data plan.

⁴ The Ford app is required for remote features (see Ford app Terms for details). Connected Services and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and operation.

⁵ Trial Length: A 3-month trial subscription is included for all new SiriusXM-equipped Ford vehicles
 SiriusXM with 360L Trial Subscription: Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless an active data connection is enabled in the vehicle. Content varies by SiriusXM subscription plan. ¹ Select option for a one-time purchase of Ford Connectivity Package. Ford Connectivity Package will be active for 7 years on this vehicle (non-transferrable to another VIN) from warranty start date. Requires activation via Ford app. Not available for fleet orders. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Ford may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Ford may remove or limit the customer's data plan.

² Select option for a one-time purchase of Ford Security Package. Ford Security Package will be active for a minimum of 7 years on this vehicle (non-transferrable to another VIN) from new warranty start date. Modem activation is required. No additional subscription purchase will be required to maintain connectivity beyond the 7 years if the service is available.
