

MAJOR PRODUCT CHANGES

OVERVIEW

The 2023 Super Duty® transitions to a more efficient and simplified offering strategy. Standard content, options, and packages have been significantly updated versus prior model years. Ford Co-Pilot360™ Technology and 360-Degree Cameras are available together across Trims. The new 6.8L gas engine is standard on XL, with STX package allowing an option for 7.3L gas engine. Beginning at XLT, the 7.3L gas becomes the standard engine. 6.7L Power Stroke® diesel remains an option for all Trims. LED lamps are available to all Trims; included in STX and XLT Sport packages and standard Lariat/King Ranch/Platinum/Limited. Wheel upgrade options are associated with appearance packages. 4x4 is now standard beginning at XLT Trim.

¹ Wi-Fi hotspot includes wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the trial subscription period for remote features. To activate, go to www.att.com/ford

Product Changes and Features Availability

Features, options and package content subject to change. Please check www.fmcdealer.com for the most current information.

★ = New for this model year

MAJOR PRODUCT SUMMARY

Please see Standard Equipment pages for more details.

² FordPass Connect™ (optional on select vehicles), the Ford Pass App., and Complimentary Connected Services are required for remote features (see FordPass Terms for details). Connected Service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected services excludes Wi-Fi hotspot

³ Navigation services require SYNC®4 and FordPass Connect (optional on select vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Eligible vehicles receive a complimentary 1-year trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the connected navigation service will terminate, and the system will revert to embedded offline navigation.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

KEY INTERIOR/COMFORT FEATURES (continued)	XL	XLT	Lariat	King Ranch®	Platinum	Limited

¹ Navigation services require SYNC®4 and FordPass Connect (optional on select vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Eligible vehicles receive a complimentary 3-year trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the connected navigation service will terminate, and the system will revert to embedded offline navigation.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

STANDARD EQUIPMENT

FordPass Connect™ (5G) – 5G Wi-Fi hotspot connects up to 10 devices ² – Remotely start, lock and unlock vehicle ³ – Schedule specific times to remotely start vehicle ³ – Locate parked vehicle ³ – Check vehicle status ³ Note: Telematics Solutions (both complimentary and subscription based) are available for Fleet Customers, providing access to manufacturer-grade data including but not limited to vehicle location, speed, idle time, fuel/energy, range, vehicle diagnostics, and maintenance alerts. FordPass Connect™ 5G Wi-Fi Modem, enables telematics services directly from Ford or through authorized third party providers. Learn more at commercialsolutions.ford.com or email fcs1@ford.com or by calling 833-FCS-Ford. (833-327-3673).

¹ Navigation services require SYNC®4 and FordPass Connect (optional on select vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Eligible vehicles receive a complimentary 3-year trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the connected navigation service will terminate, and the system will revert to embedded offline navigation.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

CNG/Propane GASEOUS ENGINE PREP PACKAGE (98F)**Availability:**

Optional on XL F-250 and F-350

Requires:

6.8L Gas Engine (99A)

Includes:

Hardened Engine Intake Valves and Valve Seats
Bi-Fuel manifold

NOTE: This package does not include CNG/Propane fuel tanks, lines, etc. Vehicle will be equipped w/the standard factory gasoline fuel system. Additional equipment combined w/Certified calibration reflash is required, from an external upfitter, to convert the vehicle to a CNG/Propane fueled vehicle. See Alternative Fuel Buyers Guide:

www.ford.com/altfuelbuyersguide

Ford Motor Company does not provide an exhaust or evaporative emissions certificate w/this option when converted to use CNG or Propane fuel. Ford does not represent that a vehicle converted to use CNG or Propane will comply w/all applicable U.S. or Canadian safety standards. It is the responsibility of the final stage manufacturer (body-builder, installer, alterer or subsequent stage manufacturer) to determine that any vehicle converted to use CNG or Propane complies w/U.S. Federal, California or Canadian exhaust and evaporative emission requirements, Federal fuel economy standards, U.S. and Canadian safety standards, labeling and any other requirements

PACKAGED OPTIONS/EMISSIONS

5TH WHEEL/GOOSENECK HITCH PREP PACKAGE (53W)**Availability:**

- Optional on XL, XLT, Lariat, King Ranch® and Platinum
- Standard on Limited
- Standard on F-450

Not available with:

- Bed Mat (85M)
- Drop-in Bedliner (85L)

Includes:

- Five (5) pickup bed attachment points w/plugs
- One (1) frame under-bed cross member
- One (1) integrated 7-pin connector on driver's side pickup bed wall

5th Wheel Hitch Compatibility:

- The 5th Wheel/Gooseneck Prep Package (53W) is compatible w/the factory orderable 5th Wheel Hitch Kits (15K and 15L) and Dealer-installed Ford Accessories 5th Wheel Hitch kit by Reese – part #BC3Z-19D520-A (8 ft. box only). The prep package is also compatible w/Reese Signature Series 5th wheel hitch kits updated w/a new Leg Service Kit – Part# BC3Z-A00A25-A (8 ft. box only)
- The 5th Wheel Hitch Kit-15K, 5th Wheel Hitch Kit-15L and Dealer-installed Ford Accessories 5th Wheel Hitch kit by Reese – part # BC3Z-19D520-A is not released to the short box (6.75 ft. box)

NOTE: The short pickup box provides less clearance between the cab and 5th wheel trailer compared to "long box" pickups. The receiver centerline of the hitch should be mounted at least two inches forward from the rear-axle of the truck chassis. When selecting a trailer and tow vehicle, it's critical that this combination provide clearance between the cab and tow vehicle for turns up to and including 90 degrees. Failure to follow this recommendation could result in the trailer contacting the cab of the tow vehicle during tight turns.

Gooseneck Hitch Compatibility:

- The 5th Wheel/Gooseneck Prep Package (53W) is compatible only w/the factory orderable Gooseneck Hitch Kit-15J, Gooseneck Dual Hitch Kit-15E or Dealer-installed Ford Customer Accessories Gooseneck hitch by Reese – part # BC3Z-19F503-A (8 ft. box and 6.75 ft. box)

Vehicle Special Order (VSO)

FLEET ONLY. See www.fmcdealer.com for current VSO Order Guide. This live guide includes VSO option codes, descriptions and pricing. Email vsomail@ford.com or call 1.800.34.FLEET, menu 4 w/any VSO questions you may have.

High Sulfur Diesel Fuel Usage

Vehicles for intended usage w/diesel fuel sulfur content greater than 15ppm require Euro II (>500ppm sulfur) or Euro III (<500ppm sulfur) packages to avoid engine functionality issues. Packages are available through Export Order Guide w/the appropriate US EPA exemption or verifiable export usage.

NOTE: Post build modification kits are not available. Vehicles must be ordered correctly for the market that they are to be sold and operated in.

NOTE: JP8 fuel is supported and compatible w/these packages

Leaded Fuel Capable

Package is available through Export Order Guide w/the appropriate US EPA exemption or verifiable market usage.

NOTE: Post build modification kits are not available. Vehicles must be ordered correctly for the market that they are to be sold and operated in.

European Certified Headlamps

European certified headlamp package is available for export usage through Export Order Guide.

NOTE: Post build modification kits are not available. Vehicles must be ordered correctly for the market that they are to be sold and operated in.
