  - — Digital Owner’s Manual
  - — 911 Assist®[3]
  - — Smart-Charging USB Ports – two (2)
- Track Apps®

[2] Available on EcoBoost® and EcoBoost® Premium Only

[3] The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist® to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to your SYNC® [Ford/Lincoln Digital Experience] system, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated.

Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility.

[1] Designed to optimize driving dynamics and provide superior performance on wet and dry roads. High performance summer tires wear faster than non-performance tires. Ford does not recommend using summer tires when temperatures drop to approximately 45 deg F (7 deg C) or below or in snow/ice conditions.

[2] Drift brake is intended for track use only. It should never be used on public roads. See Owner's Manual for information on use.

  - — Rear Camera Digital
  - — Rear Parking Sensors

[1] Drift brake is intended for track use only. It should never be used on public roads. See Owner's Manual for information on use.

[2] Designed to optimize driving dynamics and provide superior performance on wet and dry roads. High performance summer tires wear faster than non-performance tires. Ford does not recommend using summer tires when temperatures drop to approximately 45 deg F (7 deg C) or below or in snow/ice conditions.

[3] Driver-assist features are supplemental and do not replace the driver's attention, judgment, and need to control the vehicle. It does not replace safe driving. See Owner's Manual for details and limitations.

EMISSIONS STANDARD/OPTIONAL EQUIPMENT

FEDERAL / NON-CALIFORNIA EMISSIONS SYSTEM

Intended for 2.3L EcoBoost® engine (99H) orders destined to be registered in Federal / Non-California Emissions States.

Automatically added to orders from dealers in Federal/ Non-California Emissions States. Available option for dealers in California Emissions States.

50-STATE EMISSIONS SYSTEM **425**

Added to 2.3L EcoBoost® (99H) orders from dealers located in the following California Emissions States: California, Colorado, Connecticut, Delaware, Maine, Maryland, Massachusetts, Minnesota, New Jersey, New Mexico, New York, Oregon, Pennsylvania, Rhode Island, Vermont, Washington.

Available option for dealers located in New Hampshire for stock orders.

Available option for dealers located in all states for retail orders.

Available option for dealers located in all states for commercial fleet orders and rental fleet orders.

Available option for dealers located in all states for state and local government fleet orders with “Ship-To” addresses in California Emissions States.

Standard equipment on 5.0L Ti-VCT V8 engine (99F)

Standard equipment on MOD 5.0L-4V DOHC EFI NA (990)

50-STATE EMISSIONS SYSTEM NOT REQUIRED **423**

Control Code for units shipped to or ordered by dealers in most California Emission States for registration in non-California Emission State locations.

In Maine, Rhode Island and Vermont, dealers cannot use this code to order vehicles for customers in non-California Emission State locations (except State Public Service/Emergency – 936)

50-STATE EMISSIONS SYSTEM EXEMPTION – FOR PUBLIC SERVICE / EMERGENCY VEHICLES **936**

This exemption may only apply in certain California Emissions states. Ordering dealer is responsible for contacting the proper state authorities for clarification on qualifying exempted vehicles for registration. Only available on units sold for authorized public service or emergency service use. Must also use Code 423 when ordering

FRONT LICENSE PLATE BRACKET **153**

Standard in states where required by law
